Boa tarde. Voltando ao assunto da apresentação na Índia, tentei de todas as formas ver como reservar hotel e realizar inscrição, infelizmente o link apresentado para reserva do hotel remete à carta de aceitação do trabalho, o link para inscrição também, mas digitando diretamente esse link (www.icaci.com) se chega ao site do evento, custo aproximado da inscrição U\$350,00, tem que ser em seu nome?

Se puder marcar um dia para conversarmos mesmo que seja por telefone, seria ótimo

Adoraria, sendo 15 e 16 de dezembro não tem melhor.

Farei um orçamento e tentarei patrocínio junto a UNINOVE

Agora mudando um pouco de assunto, quanto aos cursos de inspetor de estruturas, lhe pergunto será que terei pique para um curso de 28 horas em três dias?

Qual das visitas consideras a melhor, Fortaleza ou Brasília?

Aguardo suas notícias?

Sub: Your paper "Durability of Concrete produced with Recycled Aggregates – A Contribution to Safe and Sustainable Development"

Dear Dr. Paulo Helene,

It gives me great pleasure to inform you that below mentioned paper is duly approved by the Scientific Committee for inclusion at the 3rd R. N. Raikar Memorial International Conference and Gettu-Kodur Symposium, Mumbai, India, 14th – 15th December 2018.

1. Durability of Concrete produced with Recycled Aggregates – A Contribution to Safe and Sustainable Development

The Scientific Committee considers the paper is topical and of great interest. We now request you to register online as an author on www.icaci.com.

Hotel St. Regis is the Venue of "3rd R N Raikar International Conference".

To book a room at Hotel St. Regis, please refer to the link given below:

Engineers and concrete specialists have expressed their desire to attend the 3rd R. N. Raikar Memorial International conference as it has now become a regular 'looked forward to' event on the international calendar. The conference will be officially inaugurated by President of American Concrete Institute (ACI), Prof. David A. Lange.

The event is organised by the India Chapter of American Concrete Institute (ICACI) and supported by its parent body ACI.

Conference Highlights:-

- Participation of over 50 countries.
- Audience of over 600 engineers, scientists, professors, government officials, industry leaders and students.
- Technical articles from over 100 international authors and matching Indian contributions.
- Technical papers submitted by various participating countries at the last conference were evaluated by a worldwide editorial board for inclusion in the prestigious International Journal of Construction & Building Materials (UK) and Alconpat Revista. ICACI is endeavouring to repeat this feature for this conference.
